ALLENDALE PUBLIC SCHOOLS
ALLENDALE, NJ

Dear Parent:

Welcome to the Allendale Public Schools.

In accordance with N.J. Board of Education code, the following requirements must be met in order for your child to enter Kindergarten.

1. **Health History Questionnaire – to be completed by parents.**
2. **Physical Exam – only examinations done after January 1, 2017 will be accepted (form attached).**
3. **Up to date Immunization history, including:**
    a) **D.P.T. Vaccine – minimum of 4 doses - *one given after 4th birthday.**
    b) **Polio Vaccine – minimum of 3 doses - *one given after 4th birthday**
    c) **Measles – Mumps – Rubella – minimum of 2 doses (started after 1st birthday).**
    d) **Varicella Vaccine – or written statement of having a history of the disease (started after 1st birthday).**
    e) **Hepatitis B Vaccine – minimum 3 doses appropriately spaced.**
    f) **Students born in or transferring from certain countries may require TB testing.**
4. **Kindergarten Vision and Hearing form.**

Please submit all of the above to the Hillside School Health Office by **May 1, 2017.**
Thank you for your cooperation

Vision and Hearing Form

It is recommended that all pre-school children have a complete vision and hearing examination before entering school in the fall. Good vision and hearing are essential to success in school. It is our hope that pre-school hearing and vision examinations will help many children receive the proper correction through early detection and/or treatment.

Upon completion of the vision and hearing examinations, please have the examiner indicate his/her finding and recommendations on the form below. This form should be returned to the school nurse before the start of school.

Student's Name_____ Date _____

I have given a complete eye exam with the following diagnosis and recommendations:

	Distance	Near	Distance	Near
Vision without correction	O.D._____	_____	O.S._____	____
Vision with correction	O.D._____	_____	O.S ____	_____

GUIDELINES FOR ADMINISTRATION OF MEDICATION AT SCHOOL

1. The parent or guardian provides a written request for the administration of the prescribed medication at school.
2. Prescribed over-the-counter medications must be accompanied by written physician's orders that provide the school with the child's name, diagnosis, name of the drug, dosage, time of administration, and side effects when necessary.
3. Medication is to be brought to school in the original container, appropriately labeled by the pharmacy or physician.
4. The school nurse or parent/guardian is the only one permitted to administer medication in the school.
5. Records of giving medication during school hours will be maintained by the school nurse.

It is recommended that if your child has a special condition such as food allergies, asthma, etc, medications will be kept in school for emergency situations. It is suggested that such medications be brought to school at the beginning of the school year and the previously stated guidelines be followed.

Your cooperation in abiding by this policy is necessary for maintaining the health and safety of all of the children in the school.
